The City Planning Commission invites your testimony or written comments. Written communications should be received in the City Planning Commission Office as soon as possible. In order that all viewpoints may be presented, speakers at the hearing may be limited in the length of their presentations. Because of time constraints and to minimize repetition, the Commission encourages presentations by representatives of organized groups in lieu of many individual speakers. Since this is one of several matters to be considered, the exact time depends on the Commission's schedule.

If you challenge this matter in court, you may be limited to those issues you or someone else raised at the public hearing described here, or in written correspondence on the matter delivered to this agency at or prior to the public hearing.

The complete file is available for public inspection in the City Planning Commission Office, Room 532, 200 North Spring Street, Los Angeles, CA 90012.
